If your event requires a higher level of service, please email us at ragazziscatering@gmail.com and we'll contact you to discuss specific needs. We have the ability and experience to serve most any event. We've executed wedding receptions, school lunches, hospital luncheons, office parties and many other catered events. We also have a banquet room for hosting meetings on premise. Whether you need Italian food or something completely different, we've done it and done it well. You and your event will have the personal attention of the restaurant owner and staff as we design and execute the event you envisioned all for a reasonable cost. Please allow us 30 days notice to design and fully execute your Full-Service event.
