A UNIQUE BOUTIQUE

Great gifts can be hard to find. But there's a place that makes the search much easier. **A Little Bit of Everything** is a welcoming shop that's tucked away in the Imperial Plaza off Kapi'olani Boulevard. It carries an eclectic assortment of unique, inspirational, spiritual or just-plain-adorable gifts. You'll find coffee mugs, handmade notecards, reusable grocery bags, organic t-shirts, jewelry, artwork and more locally made products that owner Valerie Kubota personally selects for the store. In addition to the variety of items offered, there are also numerous events that take place in the shop's conference room. Kubota has hosted everything from financial seminars to card-crafting classes and even health-related meet-ups, offering more than just a place to find gifts, but opportunities to learn new things and make new friends.
