

WESTGATE HARDWOODS

PREMIUM MOULDINGS CATALOG

INTRODUCTION

Westgate Hardwoods is pleased to offer you the same quality products that have pleased our many satisfied customers since 1988. Please feel free to contact us about our many complimenting services or just drop by our showroom in Durham to see many of these catalog items on display.

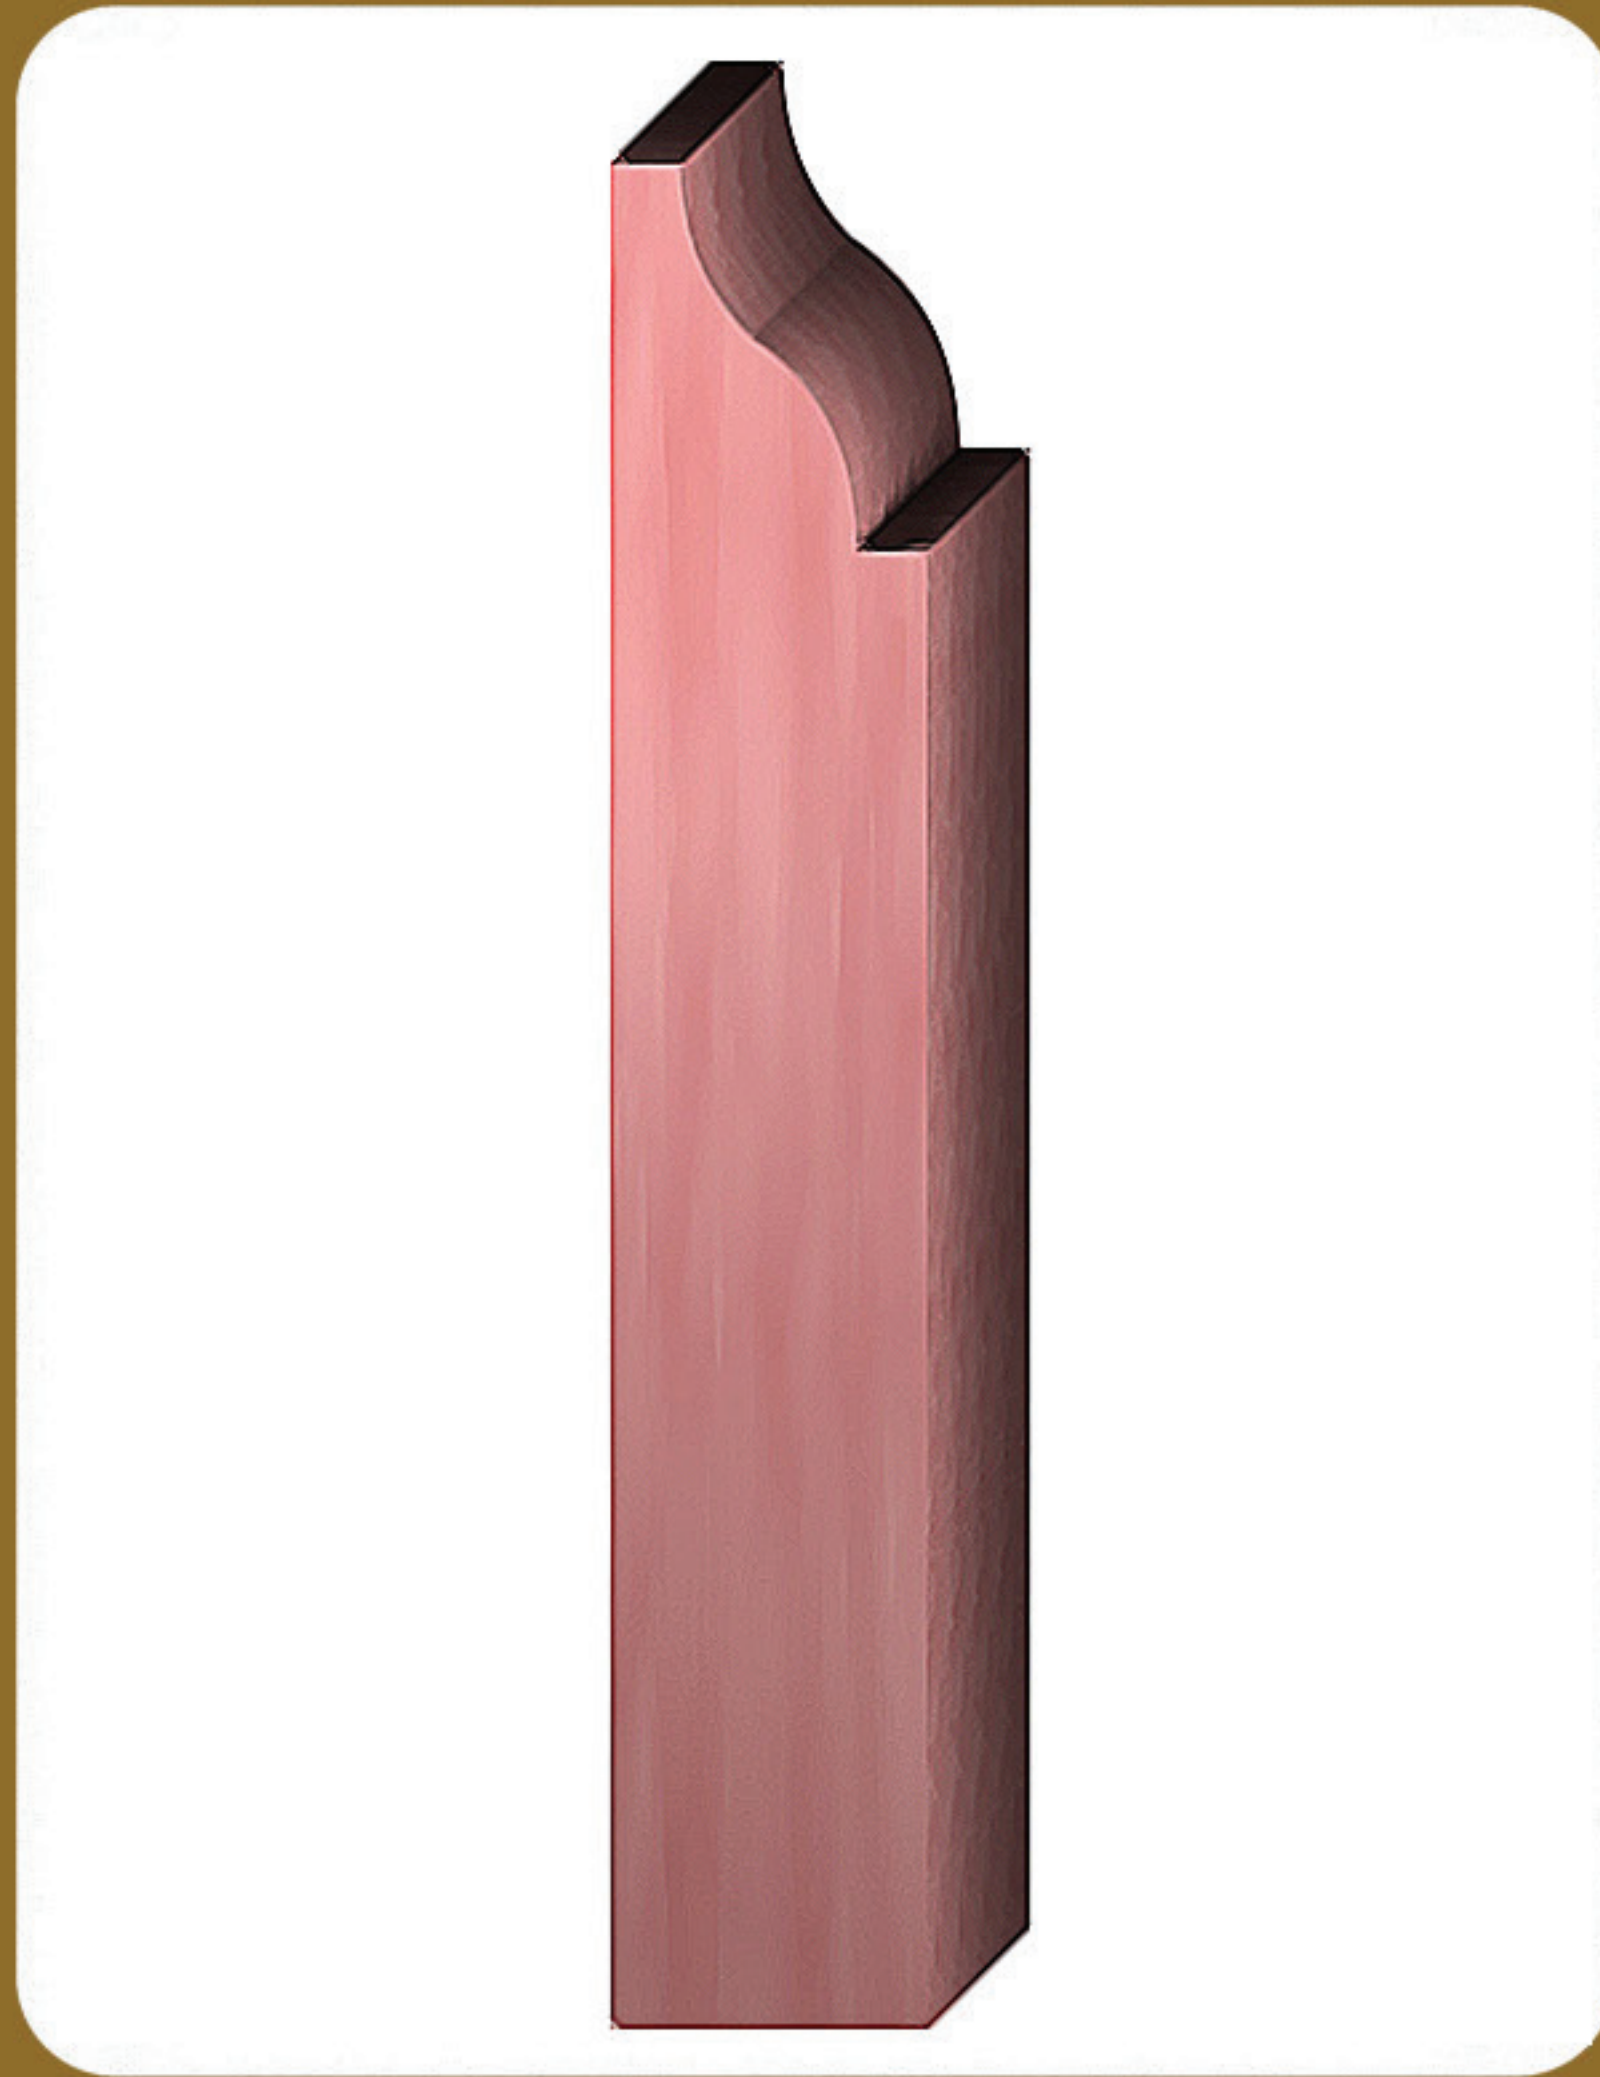

Westgate Hardwoods, Inc. was established in 1988 and headquartered in Chico, California. We are a premier manufacturer of architectural millwork, offering custom cabinetry for kitchens to complete home or office packages. Additionally, we offer Coffered Ceilings, Custom Doors and Complete Entryways, Mantels, Mouldings, Millwork, Stairways and Parts, Wood Flooring and more. All of our products are manufactured by experienced craftsmen who take great pride in their work.

We can also offer curved and radius mouldings for window casings, archways, and curved walls.

INTRODUCTION

Westgate Hardwoods is pleased to offer you the same quality products that have pleased our many satisfied customers since 1988. Please feel free to contact us about our many complimenting services or just drop by our showroom in Durham to see many of these catalog items on display.

PROFILES AND MATERIALS

Actual moulding profiles may vary slightly from the following catalog illustrations and Westgate Hardwoods reserves the right to delete or modify any catalog item. Hardwoods are a product of nature and a variety of color, grain, and texture are part of this natural charm. These are not imperfections but are simply part of the random beauty of wood and should be expected. You should also expect that normal surface preparation for wood will be required prior to finish.

PRICING

Please contact us for current pricing and availability. We are pleased to offer volume discounts with special consideration to industry related businesses.

TERMS

Open account terms are extended when Westgate Hardwoods has verified a satisfactory credit history. All major credit cards are accepted. Personal and company checks are accepted upon bank verification. A 50% deposit is required on all custom runs and special orders.

CUSTOM KNIFE GRINDING

If you can't find a moulding profile in this catalog contact us for a complete listing of the more than 1500 patterns we have available. You can also send us your scale drawing or sample. We can duplicate any profile to your exact specifications up to 4 in. high x 11 1/2" wide. Approximate cost for grinding is \$50.00 and up per inch rounded up to the nearest inch. Custom tooling is produced in house and remains the property of Westgate Hardwoods Inc.

SET UP CHARGES

Westgate Hardwoods Inc. reserves the right to fix or change set up charges at their discretion. Larger patterns, for example bar rail, will have a larger set up charge. General set up charge information for non stock species or special patterns in Westgate Hardwoods catalog are:

- Up to 299 lf \$75.00
- 300 lf and over no setup
- Large profile setup is \$175.00

RANDOM LENGTHS

Unless otherwise specified, orders will be quoted and manufactured in random lengths. Lengths generally run from 3' – 12'. Some species are available up to 16' and, if available, usually comprise a maximum of 15% of the order. 15% 3' – 6' are included in random length tally. We will try to accommodate your length requirements to the best of our ability and the wood that we have available.

SPECIFIED LENGTHS

Specified lengths are available within reason and stock permitting. We try to reserve our long lengths for Base and Crown mouldings. Casing can be specified to the number of legs (sidepieces) and heads (top pieces) needed, by ordering the exact length to the nearest foot. All reasonable efforts will be made to keep over- age to a minimum on specified length orders. All specified lengths with no overage will have 15% to 20% added to the price of the order. Instead of combining your shorter lengths and specifying long lengths, it is to your advantage and more economical to specify the actual lengths you need.

SPECIAL ORDERS

Flexible resin moulding, radius corners, custom wood radius work, and all other non-stock items are considered Special Orders and are not subject to returns, refunds, or exchanges. A deposit, or advance payment, is usually required on Special Order items. Special Orders are not subject to cancellation after production has begun.

RETURNS

All returns must be made within 30 days of purchase and accompanied with the original receipt. Stock items in good saleable condition will be charged 15% for restocking. No product that has been cut, damaged, stained, painted, marked with pen or pencil, shows signs of sun or water damage, or is marked with sheetrock compound or dirt, or mouldings less than 8' long will be accepted. Custom runs or special orders cannot be returned

LEAD TIME

Lead times vary between 5 – 10 working days, depending on the order size and production schedule. Longer lead times allow us greater flexibility, and may save you money. Westgate Hardwoods strives to meet your order requirements and rush orders can be delivered with an up-charge, schedule permitting.

LIMITATIONS

Additional Terms and Condition of Sale may be imposed on Buyer and are not included herein. Prior to purchase, it is your responsibility to make yourself aware of all Terms

and Conditions of Sale. Seller is not liable for indirect, special or consequential damages under any circumstances, including, but not limited to, damages or loss resulting from inability to use materials, increased operation costs or loss of production, attorney's fees, or any other damages. In all cases, Seller's maximum liability, whether resulting from breach of contract, negligence, or otherwise, shall not exceed the contract price of the materials supplied to Buyer.

GUARANTEE

Our goal is to achieve 100% customer satisfaction. At Westgate Hardwoods we stand behind our products and we pledge to resolve difficulties in a timely and courteous manner. Please inspect your order within 48 hours of receipt and report any problems immediately.
