WHITE CHOCOLATE BREAD PUDDING

Born on Mardi Gras Day

VooDoo BBQ & Grill was born on Mardi Gras day in 2002, right on St. Charles Avenue in the heart of New Orleans. It was a crazy way to start a restaurant and it's been a party ever since. VooDoo BBQ & Grill brings together your favorite BBQ styles and kicks them up a notch with Caribbean, Cajun and Creole spices.

When you walk into any VooDoo BBQ & Grill you'll experience the same kind of fun, laid-back atmosphere and hospitality that you'd find at any southern table. It's like a mini vacation to New Orleans. You're our guest, so relax and prepare to experience great food, drinks, music and the soul of New Orleans, a city where we live to eat.

All of our meats are slow-smoked on-site daily. We use Trans-Fat Free Oil. Thoroughly cooking foods of animal origin reduces the risk of food-borne illness. Individuals with certain health conditions may be at higher risk if these are consumed raw or undercooked. Please let us know your preferences. Please let us know if you have any food allergies.
