

2008 Home Builders Blitz a Success

Ten new Habitat homes were built in Orange, Chatham, and Durham counties in just one week (May 31-June 6) by an incredible group of builders and subcontractors. In Orange County, three homes were built by Drees Homes, Johnson Homes, and B. Wallace Design & Construction in Hillsborough. The Home Builders Association of Durham, Orange, and Chatham Counties and Frank Weisner provided excellent leadership overseeing the Blitz, and special thanks from Orange County goes out to Dave Hausfeld of Drees Homes for leading our build, and to Heath Blackwelder, Tom and Laura Johnson, and Britney Wallace.
