The angled main entry door and foyer of the Stratton accesses a private study at the front of the home. A cozy gathering room with optional fireplace behind the open morning room and kitchen is the center of activity for one story living. An additional bedroom with a large walk-in-closet, and a formal dining room complete the main floor. Three optional layouts are available on the second floor to expand the living area of the home, including another bedroom, large loft space, and a full bathroom.

Main Floor - 1,575 sq.ft.
