## The Upper Deck

The upper deck dining rooms are our most popular event space. To reserve the space to be exclusive to your event, there is a required minimum of 75 guests and a maximum of 110 guests. The space is often broken down into two smaller rooms, room 3 and room 4. Room 4, the upper room, requires a 40 person minimum and 65 person maximum. Room 3, the lower room that also is used to access room 4, requires 30 person minimum and 45 person maximum.

## Room 1 Lounge

This area is located near the bar and is a popular option for groups wanting to do happy hour events. We require a 20 person minimum to set up a stand-up mingling event in this space. We create a great mingling atmosphere with limited seating in this space for your casual gathering.

## Rooftop Patio

This space is a beautiful alternative for your event when the weather agrees. To reserve this space we require a \$1500 minimum food expenditure, all beverages, tax and fees are additional. The space only allows for mingling events and requires bar set up. There is no additional lighting provided in this space so your event must end when the sun goes down. A dining room downstairs is reserved also in the event of foul weather. We do allow for mixed events with a cocktail hour beginning on the roof and moving downstairs for dinner for an additional fee.

**Please contact Sarah Swenson or Christine Creasey for more information about our available rooms.**
