## CLEAR SPAN STRUCTURES

The Wright Group Fabric Structures offers all sizes of clear span tent structures for unobstructed space. Tent structures are available from 8m-60m (25'-200') wide and any length is possible. There are also a variety of styles and accessories, including hard walls, doors, power, heat and the Megatruss concert shell roof system. Tent structures are available to rent, lease or purchase. WGES Fabric Structures offers the largest selection of clear spans in North America. Please call for a quote.
