

blanc

blanc

An innovative venue where the space adjusts to the design of your celebration

blanc is Denver's newest event venue. Located in the heart of Denver, just north of the Ballpark neighborhood, the versatile space is perfect for everything from private parties to corporate events.

Inside, blanc boasts a large gallery, an innovative conference room, exposed brick walls and ceiling mechanics, and an abundance of natural light. The exterior space is completely unexpected for this urban venue. The premier backyard space includes leafy shade trees that lead guests to a table and seating area sheltered by a large grape arbor. The surrounding brick patio includes a cozy outdoor fireplace that provides the ideal touch of warmth and ambience for cooler evenings.

venue features

- 3,600 main building and 900 sq feet in the detached barn

the innovation room

A 21st Century board room designed to inspire the next generation of innovation

We created the Innovation Room to help our business guests accelerate the exchange of ideas. The inspirational setting includes an idea wall, complete with idea paint for visually representing concepts during meetings. Gather your group, incubate the next great set of ideas, and write them right on the wall. Or, if you prefer, scribble them down on the nontraditional, easy-clean glass surface of the conference table, which can accommodate up to 16 team members. The modular table has been set with handcrafted chairs for easy comfort during meetings. Available as a separate rental or as part of a full facility rental.
