

Tilt-N-Space Slide Transfer Bather

The Tilt n Space Slide Transfer Bather eliminates costly 'roll-in' shower renovations and dangerous bathroom transfers in a wet environment. This model works with any standard bathtub and can be modified to roll over tank less commodes. The Tilt N Space has two swing away arms for lateral transfers, tension adjustable backrest, standard seat belt, slide-out footrest, open front integral skin foam seat for easy access to perineal area and utilizes 5" total lock casters.
