An Ice Rink In the Village of Cannonsburg!

This winter the Mayor of Cannonsburg, Don, decided it was time to bring back an old tradition here in Cannonsburg. Many years

ago every winter there was an ice rink set up where the Mill Creek used to be behind the Honey Creek Inn. With the frigid cold weather we've had the last couple of winters and with some Polish ingenuity, Don came up with what many around the Village thought was a crazy idea...putting in an ice rink where the old Mill Creek use to be. Well, it wasn't so crazy and with a lot of water and some hard work Don was able to pull it off. At the end of February, we officially announced the opening of the ice rink. Even though it was a little late in the season, many community members came out to enjoy it while the ice lasted. We'd like to **thank everyone** that did. This year was a good test run. Next year, we plan on having it up and running sooner. We look forward to seeing all the skaters next winter!

Ralph The Moose Heads to GR

As most of you already know, Ralph T. Moose takes his laughter very seriously and that's why he decided he had to be a part of Laughfest this year in some way. Since he is scared of public speaking, coming up with a comedy act was out of the question so he went with the next best route...run the annual

FUNderwear Run in downtown Grand Rapids! Ok, maybe he didn't technically run but he was there to meet and greet all of the runners who participated. It was so much fun for Ralph that he's already in training for next year's run. Seriously, though, the Gilda's Club again knocked it out of the park this year with the Laughfest. It helps support all of those effected by cancer, like the survivor pictured above with Ralph. For more information about Gilda's Club visit them at www.gildasclub.org.

Happy April everyone!
Here we are in Spring
now where everything

Is starting to bloom and exude life. There's a freshness in the air and an anticipation for the summer time right around the corner. One of the best things about Spring is remembering all the great food that is to come with summertime. In April, we've decided to remember some all time favorites by doing a 'throwback' to popular dishes that you just don't see anymore on menus like Shrimp Scampi or Roast Beef with Yorkshire Pudding. We're hoping this brings back some nostalgic memories for you and helps you remember good times from the past!

Make sure to check out some of the new menu items that we've added in the last month like the Pan-Seared Halloumi, Ahi Chopped Caesar, Pecorino Cream Linguini and the award winning Hog Dog. Stop in or take a look online at cannonsburgvillage.com/honey-creek-inn-menus.

Happy Spring,
