Class Descriptions

BOOTCAMP/ELITE WORKOUT

This class is like none other you will experience. The use of functional movements with kettlebells, medicine balls, weighted bags, free weights, TRX and battle ropes to give you muscle conditioning and strength for the ultimate workout.

BURN & FIRM

A class combining cardio and body sculpting for a total body workout.

DYMO BARRE

Dymo Barre is a total body slim & tone workout using a ballet barre for support and stability while performing ballet moves at a cardio level.

CARDIO BOXING

This class is a high intensity, energetic and challenging class. The use of heavy bags for different punching and kicking combinations and different plyometric exercises improve strength, endurance and conditions the entire body.

DANCE PARTY

Warm up and the heat is on. This class combines various dance steps in patterns to work your body while you experience a fun dance party atmosphere.

FUNK FUSION

Funky moves for your workout groove. This class combines the intricacies of hip-hop dance with the intensity of a cardio-funk workout that is fun, fun, fun.

GENTLE YOGA

A gentle practice of the mind/body fundamentals of Yoga for the beginner and those those needing a gentler Yoga workout.

GROUP TRAINING

Circuit Training is a growing trend in the fitness industry. It combines personal training in a small group atmosphere at an affordable price. It will focus on all areas of fitness from fat loss, improving strength, endurance and conditioning.

HARD CORE CHISEL

This class is a muscle conditioning class that incorporates movement for functional fitness. Weights are used in a cardio-intensive style that will get you fit for life.

MAT PILATES

This class, which is based on the Pilates Method, offers total body conditioning that develops mind and body uniformity while addressing balance, strength and flexibility with focus on the core, "the powerhouse".

PIYO LIVE

This intense cardio burn class turns up the pace using both Pilates and Yoga moves for hardcore definition and improving all over strength.

PUMP, PUSH & PULL

A body sculpting class that uses free weights and body weight to strengthen and tone the muscles. Abdominal work and stretches are included.

STEP & SCULPT

This class combines various stepping patterns for cardio and weights for sculpting for a total body workout.

SWEAT HIIT CARDIO

This class is a total body, heart-pumping, aerobic and strength conditioning workout. This interval-based class combines full-body strength training with high intensity cardio bursts designed to tone your body and improve your endurance.

20/20/20

A class that gives you the best of three workouts: low impact aerobics for cardio, weights for muscle conditioning, abs and stretches.

TRANSFORMER BODY SCULPT

This class combines cardio, weights and moves which will improve your strength and conditioning and change your body.

TRX/RIP

TRX Training is a registered apparatus which uses a method of leveraged bodyweight to perform exercises. You work at your level to perform exercises that build power, strength, flexibility, balance, and mobility.

TURBO KICK

This class uses hot, motivating, and heart pumping music to inspire you to punch harder, kick higher, and get your best results. Get ready to burn more fat and calories than your traditional cardio workout.

WEIGHTED WORKOUT

A class which combines cardio and free weights to strengthen and sculpt your muscles while improving your endurance. Abdominal work and stretches included.
