

Is your practice functioning at maximum efficiency?

Concerned about last minute cancellations?

Do you have a lot of no shows?

Do you know the right things to say to minimize last minute cancellations?

Is your accounts receivable equal to one month's production?

Is your over 90 day A/R at 15% of the total?

Are your outstanding claims over 30 days out of control?

Is your hygiene department contributing 33% of your total production?

Do you have a strong recall system in place?

Do you know what happens to patients that leave without scheduling their next restorative appointment?

Is your cash flow allowing you to pay your bills without worry?

Are you helping your patients maximize their dental benefits?

Are you calculating the correct copayment for your patients?

Do you have strong written systems in place that can be easily measured for success?

Does answering these questions cause you concern?

If so, then Summit Dental Partners is your solution.
